AUDIT AND FINANCE COMMITTEE

Wednesday, February 17, 2010

SUBJECT: REQUEST FOR APPROVAL OF MATERIALS AND SUPPLIES FEES (FEES FOR NEW COURSES AND INCREASES IN EXISTING FEES).

PROPOSED COMMITTEE ACTION

Approval of the request to institute new fees or increase existing fees for courses as noted.

BACKGROUND INFORMATION

Florida Statute provides to the Board of Trustees authority to set **Materials and Supplies Fees**, which help to offset the cost of materials and supplies that are "consumed in the course of the student's instructional activities, excluding the cost of equipment replacement, repairs, and maintenance." These fees apply only to students who enroll in the specific course for which fees have been approved. Fees are noted in the schedule of classes to inform students prior to their registration. Fees noted as "new" refer to both new courses added to the curriculum and to existing courses recommended for the first time.

Florida Atlantic University employs a rigorous process to review each request for conformity with the intent of the statute. Funds are segregated in specially-designated accounts that can be used only for the purposes outlined in statute. These funds are subject to audit by the Office of the Inspector General.

IMPLEMENTATION PLAN/DATE

Beginning with Summer 2010 Term.

FISCAL IMPLICATIONS

None. Revenues and expenditures will balance.
