Making Student Government a Resource

- Offering more services
 - Helping students get involved.
 - Peer advising.
- Bolstering Services
 - Assisting in recruitment.
 - Communication through COSO.

Marketing Strategic Planning Committee

- Uniting large student organizations to assist each other in achieving a singular goal.
 - Example: Athletic events Program Board events, Housing events, SAA...etc.
- In all, this will help to increase student attendance at events and build school tradition.

SGA Goes Green!

- Making University wide offices all recycle friendly.
- Helping to make offices more sustainable by using less electricity.
 - Replacing older light fixtures with new more efficient bulbs.
 - Removing unneeded equipment.

SGA Goes Green!

We hope to be the pioneers by setting the example. Allowing, all student groups to follow.

Keys to Success “Interview Series”

- Have a website with online video interviews by students with successful leaders in their respective fields.
- This will show students what these successful individuals do on a daily basis.
- Also, this will help guide students toward the choice of their major.

Keys to Success “Interview Series”

- This will also be a learning experience for Owl TV, as they will be the ones editing, producing, and filming all of these interviews.

Student History Mural Proposal

- To help bring a sense of community to the students both past and present, a history mural project will be proposed.
 - The locations will likely be the Student Apartments at the Boca Raton campus.
 - Other locations also possible.
- Students will be able to leave their mark at the University.

Student History Mural Proposal

- This will help to make them forever a part of this University making them more likely to stay involved after graduation with Alumni Affairs.

The Responsible Choice Initiative

- Holding students more accountable for course selections.
- Help to decrease the fail/withdraw rate.
- Lessen the workload of the Registrar's and Advising offices.
- In addition, it holds student more accountable to filling out their SPOT evaluations.

University Wide Communications

- Consolidate and coordinate promotional material purchases University wide.
 - Helps to create a more fiscally responsible SG administration.
 - Increases collaboration between campuses.
 - Unites all campuses to be one Student Government.
- This will be undertaken by the Marketing Committee.

Florida Student Association

- Florida Atlantic University has a big role and presence in FSA this year.
- My administration will work diligently to maximize the representation of FAU across the state.
- In addition, we will focus on idea sharing and problem solving amongst other universities across the State of Florida.
