**SUBJECT: MODIFICATION OF ARTICLE 23 OF THE 2022-2025 FAU BOT/UFF
 COLLECTIVE BARGAINING AGREEMENT**

PROPOSED BOARD ACTION

Approve a Modification of Article 23 of the 2022-2025 Collective Bargaining Agreement (“CBA”) between the Florida Atlantic University Board of Trustees and the United Faculty of Florida (“UFF”).

BACKGROUND INFORMATION

Employees of the A.D. Henderson University School and FAU High School, together known as FAU Schools (“FAUS”), are covered by the CBA with UFF. Articles 23.4(h)(1)(a) and 23.4(h)(1)(b) of the UFF CBA provide a minimum salary for FAUS employees of \$51,000 for the Grandfathered Salary Schedule and \$48,000 for the Performance Salary Schedule.

In the 2020 Florida legislative session, the Legislature passed and Governor DeSantis signed an allocation of \$500 million to increase the minimum classroom teacher base salary statewide to \$47,500 and to increase the base salary of other full-time instructional personnel. In the 2022 Florida legislative session, the Legislature passed and Governor DeSantis signed an allocation of \$800 million to maintain the salary increases provided in previous years, and to further increase salaries.

The Florida Department of Education’s Florida Education Finance Program (“FEFP”) allocated \$106,075 of these funds to FAUS to fund the increases. The Administration and the UFF have agreed that distribution of these funds in accordance with the State’s requirements results in a new starting salary for Article 23.4(h)(1)(a) permanent faculty on the Grandfathered Salary Schedule of \$53,000, and a new starting salary for Article 23.4 (h)(1)(b) non-permanent faculty on the Performance Salary Schedule of \$48,960. These salary increases positively impact 59 full-time teachers. In addition to the base salary increase implemented in 2022-23, faculty will receive a maximum of a 3% increase applied in accordance with Article 23.4

IMPLEMENTATION PLAN/DATE

Effective upon Board of Trustees and UFF ratification.

FISCAL IMPLICATIONS

This year's legislation created and funded this new allocation within the FEFP. The portion of these new funds allocated to FAUS combined with FAUS's existing FEFP allocation fully fund the increases for all affected faculty. The legislation requires school districts to maintain the new minimum base salary in subsequent fiscal years unless specifically changed in a future General Appropriations Act.

In the event FAUS does not receive sufficient new legislative appropriation, Teacher Salary Increase Allocation, or maintenance or increase in the base student allocation appropriate annually in the Florida Education Finance Program to fund the salary increases negotiated for either 2021-2022, 2022-2023, or 2023-24, Section 23.4 of this article shall become void and reopened for negotiations by the parties.
