Board of Trustees

Item: AS: I-1

COMMITTEE ON ACADEMIC AND STUDENT AFFAIRS

Tuesday, June 16, 2026

SUBJECT: UPDATED ANNUAL REVIEW OF ACADEMIC DEGREE PROGRAM LIST

PROPOSED Committee ACTION

Information only.

BACKGROUND INFORMATION

In March 2024, the Board of Governors (BOG) amended BOG Regulation 8.011 Authorization of New Academic Degree Programs and Other Curricular Offerings. The revision disentangles new degree program planning from the annual Accountability Plan process. Universities are now able to submit annual lists of anticipated new degree programs to the BOG instead of reporting an exhaustive list of all potential new academic degree programs multiple years in advance. The new process empowers institutions to be nimbler and more responsive to quickly evolving workforce demands. Regulation 8.011 requires each University's Board of Trustees to review its institutional submission prior to submission. The BOG notes that this is an informational item and does not require a vote.

IMPLEMENTATION PLAN/DATE

The BOG staff stipulates that any updates to the anticipated new academic program list must be presented to each institution's Board of Trustees prior to submission.

FISCAL IMPLICATIONS

Each degree program still requires subsequent planning, vetting, and approval. Inclusion on this list does not represent an obligation by the University, financial or otherwise, to launch any of the noted new academic degree programs.

Updated List of Anticipated New Academic Programs for the 2026-27 Academic Year

Background:

Board of Governors Regulation 8.011, Academic Degree Program Coordination and Approval, requires universities to provide the Board office with a list of the new academic degree programs that the university wishes to implement in the upcoming academic year. The university may make changes to the list during the academic year, but must inform the board of trustees and the Board office of any changes. The Board office will share the combined list for the System with CAVP and CAVP ACG to discuss program duplication and System coordination.

Instructions:

Please use the table below to report all new academic degree program proposals the university plans to submit to the Board office in the 202X-202X Academic Year. This list would include degree programs that were submitted previously to the Board office. Your institution's board of trustees must have reviewed this list prior to submission to the Board office. Please submit the updated list via the Information Request System.

Updated List of Anticipated New Academic Programs for the 2026-27 Academic Year

CIP Code	Program Name	Level	Other SUS Institutions that Offer the Program	Projected Student Enrollment for Year 1	Date Submitted to the University Board of Trustees
22.0000	Public Law	B	UCF	20	October 6, 2025
