SUBJECT: APPROVAL OF 2012-13 TUITION DIFFERENTIAL.

PROPOSED BOARD ACTION

Provide approval of tuition differential effective for Academic Year 2012-13.

BACKGROUND INFORMATION

Florida Statute 1009.24(16), allows each University Board of Trustees to establish a tuition differential fee. The FAU Board of Trustees approved in June 2009 tuition differential for undergraduate courses to improve the quality of undergraduate education and provide financial aid to undergraduate students who exhibit financial need. The Florida Board of Governors has calculated the tuition differential per credit hour fee to be \$40.13. Upon approval of the Florida Atlantic University Board of Trustees, the FAU tuition differential will be submitted to the Florida Board of Governors for their consideration as required by Florida Statutes.
