# How to Enable "Cisco Webex" in Your Course

Instructions:

1. After opening a course, click on the **Settings** link in the Course Navigation Menu.

2. Click on the **Navigation** tab at the top of the Settings page.
3. Locate the **Cisco Webex** menu item in the bottom half of the page.
4. Enable the **Cisco Webex** menu item by performing **one** of the following steps:
    a. Click and drag the item from the Disabled Items list (bottom) into the Enabled Items list (top).
    b. Click the ellipsis (three-dots) to the right of the item and click **+ Enable**.
5. When finished, click the blue **Save** button at the bottom of the page.
6. Upon returning to your course's home page, you'll see the **Cisco Webex** link in the Course Navigation Menu.
