QUICK STUDENT ANALYTICS IN CANVAS

Canvas's **New Analytics** tool provides a few types of information regarding your students' performance in your course. With just a few clicks you can see what they've been up to and how they're doing in your course. The tool is also set up to communicate with students for a variety of circumstances. For a full breakdown of the features and capabilities of this tool, visit the [Canvas New Analytics FAQs here](#).

NOTE: THE DATA SHOWN IN THE NEW ANALYTICS TOOL REFLECTS DATA FROM 24-48 HOURS BEFORE THE TIME OF RETRIEVAL. VIEW THE "AS OF" DATE TO FIND OUT WHEN IT WAS LAST UPDATED.

ACCESS THE NEW ANALYTICS TOOL

You can access the **New Analytics** tool in three easy steps:

1. Log in to <https://canvas.fau.edu>.
2. From your Canvas Dashboard, click on a course whose analytics data you would like to see.
3. On the course's **Home** page, click on the  **New Analytics** button on the right of bottom of the page.

STUDENT SUMMARY TABLE (STUDENTS TAB)

New Analytics provides a useful and sortable summary table in the **Students** tab. It can be sorted by clicking on the headers above each column.

1. From your course's **Home** page, click the  **New Analytics** button in the right or bottom of the page.
2. Click the  **Students** tab at the top of the page.
3. Click the headers (e.g., **Grade**, **Participation**, etc.) to sort the table by the data in their respective columns.
