EDUCATION

Florida Atlantic University
Bachelor of Science in Civil Engineering
GPA: 3.7/4.0

Boca Raton, FL
December 2020

RELEVANT COURSEWORK

Construction Engineering, Transportation Engineering, Storm/Wastewater Engineering, Geotechnical Engineering, Surveying, Hydraulics, Senior Design I & II, and Concrete Design

TECHNICAL SKILLS

Operating Systems: Windows, MacOS

Software: Microsoft Office, AutoCAD, Mathcad, Maple, Sure Track, MS Project, C++

ACADEMIC PROJECTS

Coastal Resiliency Center Design Project (*Senior Design I, Fall 2020*)

Conducted a Request for Proposal, an Environmental Site Assessment, created a Site Plan as well as a Floor Plan. Went to site and performed a boundary survey. Calculated various unknowns dealing with storm/wastewater, foundation work, structural design, HVAC, and transportation.

Fire Protection Project (*Construction Engineering, Spring 2019*)

Revised and drew AutoCAD drawings relating to fire extinguishers, pipelines, fire protection systems and fire pumps. Also created estimates for fire protection systems in apartment complexes
