Dear Albert Barry:

I am submitting my application for the position of Teaching Assistant at Florida Atlantic University High. With a culmination of experience in various areas within education and community enrichment, I possess the understanding and comprehensive skill set necessary to affect positive outcomes in this role.

Highlights of my experience include:

- Identifying and responding to various learning styles of different children
- Cultivating and maintaining partnerships with teachers, parents, and school administrators to create effective and engaging learning environments
- Working with students from diverse cultural and socioeconomic backgrounds
- Incorporating community service projects into classroom curriculum

As an aspiring educator, empowering and supporting students has always played a positive and impactful role in my career. My passion for this field lies within working to enhance the retention and graduation of students by equipping them with the necessary tools to succeed. I aim to create safe, stimulating, and supportive learning environments that empower students to take pride in their individual strengths, support their classmates, and engage in their community.

As a member of the FAU High team, I will be committed to the advancement of students and Florida Atlantic University High. Thank you for taking time to review my résumé and application. I look forward to speaking with you about this opportunity.

Respectfully,

Career Carly
