HOW TO COMPLETE THE FOREIGN NATIONAL INFORMATION FORM:

1. Name: List your full name.
2. Social Security Number: Enter US Social Security number issued by the US Social Security Administration not your ID number. Do not list numbers not assigned by the United States Social Security Administration, such as your Canadian Social Insurance Number or home country tax ID number. All employees must obtain a Social Security Number. If you have no Social Security Number, enter your IRS-issued ITIN if you have one.
3. Institution ID#: Enter the identification number issued to you by this institution, if any.
4. Local Street Address: List your local US address.
5. Foreign Residence Address: List the foreign address you consider to be your permanent address.
6. Country/ies of Citizenship: if you are a dual citizen, please be sure to indicate both countries of citizenship.
7. Country/ies that Issued Passport/s: List country/ies that issued your passport/s; this is not always the same as the country where the passport was physically issued.
8. Passport #/s: Enter your passport number/s.
9. Passport Expiration Date/s: Enter the expiration date/s of your passport/s.
10. Other Immigration Status: Check yes or no. If yes, complete the above section for the time you were present in the United States. Approximate if you do not know. Please note that this question refers to ANY time you were physically present in the U.S. as a nonimmigrant, such as a Canadian walkover, on a visa waiver, etc., even unauthorized entries.
11. Current Immigration Status: Check the type of immigration status that you currently hold. If you check U.S. Immigrant/Permanent Resident, holder of a "green" card, or if you are a U.S. citizen, you may proceed to the bottom of the form. Sign and date.
12. Immigration Status for J-1: Check the appropriate J-1 subtype.
13. Actual Primary Purpose: Check only one activity. This is the primary purpose of your overall visit to the U.S. based on your immigration documents, not necessarily your activities at this institution, although they may be the same.
14. Actual Entry Date into the United States: Include month, day, and year of U.S. entry for your current status. Approximate if you do not know.
15. Start Date: Leave blank.
16. End Date: Must include month, day, and year. Approximate if you do not know.
17. Occupation: Describe in general the service you will perform (if working) or type of financial benefit you will receive (i.e., scholarship).

19. Check the appropriate boxes. If spouse is also in USA, give his/her immigration status. Give number of other dependents in the USA.
20. Consultants/Self-employed Individuals: Check the appropriate box. This includes any office at any location specifically identified with you.
21. Tax residence is where you were last potentially subject to taxes as a resident, and can be different from legal residence or country of citizenship. Do not include the USA.
