Dr. John Kelly, President,
Florida Atlantic University:

The University's management is responsible for the statement of revenues and expenses (the Statement) and the Statement's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Exceptions totaling the lesser of \$100,000 or 10% of the line item total to which an agreed-upon procedure has been applied to, other than exceptions related to internal control procedures of the Program, for which there are no thresholds, have been reported. The procedures that we performed and our findings are as follows:

ADDITIONAL MINIMUM AGREED-UPON PROCEDURES

In order for the NCAA to place reliance on the Division I financial reporting to calculate the NCAA revenue distributions, which is a financial benefit to the institution, the following procedures are required to be performed:

- For Grants-in-Aid:
 - Compare and agree the sports sponsored reported in the NCAA Membership Financial Reporting System to the Calculation of Revenue Distribution Equivalencies Report (CRDE) from Compliance Assistant (CA) or other report that supports the equivalency calculations from the institution. The NCAA Membership Financial Reporting System populates the sports from the NCAA Membership Database as they are reported by the institution. If there is a discrepancy in the sports sponsored between the NCAA Membership Financial Reporting System and the CRDE or other report that supports the equivalency calculations, inquire about the discrepancy and report the justification in the AUP report. No exceptions noted.
 - Compare current year Grants-in-Aid revenue distribution equivalencies to prior year reported equivalencies per the Membership Financial Report submission. Inquire and document an explanation for any variance greater than +/-4%. We noted a 7.53% increase in revenue distribution equivalencies. 3% of the increase is due to the NCAA changing the amount that FAU reported in FY18 to a capped amount. The remaining difference between FY18 and FY19 of 4.5% is due to an increase in students that received athletic aid, specifically M/W Golf and Men's Soccer.

Procedure

Finding

- For Sports Sponsorship:
 - Obtain the institution's Sports Sponsorship and Demographics Forms submitted to the NCAA for the reporting year. Validate that the countable NCAA sports reported by the institution met the minimum requirements, set forth in Bylaw 20.9.6.3, related to the number of contests and the number of participants. If the institution requested and/or received a waiver related to minimum contests or minimum participants for a sport, that sport would not qualify as a sponsored sport for the purposes of revenue distribution. Also, only sports in which the NCAA conducts championships competition, emerging sports for women and bowl subdivision football are eligible. Once countable sports have been validated, ensure that the institution has properly reported these sports as countable for revenue distribution purposes within the NCAA Membership Financial Reporting System. Note: Any discrepancies MUST be resolved within the NCAA Membership Financial Reporting System prior to the report being submitted to the NCAA. No exceptions noted.
 - Compare current year number of Sports Sponsored to prior year reported total per the Membership Financial Report submission. Inquire and document an explanation for any variance. No exceptions noted.
- For Pell Grants:
 - Agree the total number of Division I student-athletes who, during the academic year, received a Pell Grant award (e.g. Pell Grant recipients on Full Athletic Aid, Pell Grant recipients on Partial Athletic Aid and Pell Grant recipients with no Athletic Aid) and the total value of these Pell Grants reported in the NCAA Membership Financial Reporting System to a report, generated out of the institution's financial aid records, of all student-athlete Pell Grants. Note: individual student-aid file testing in step 32 above should tie any selected student athletes who received Pell Grants back to the report of all student athlete Pell Grants to test the completeness and accuracy of the report. No exceptions noted.
 - Compare current year Pell Grants total to prior year reported total per the Membership Financial Report submission. Inquire and document an explanation for any variance greater than +/- 20 grants. No exceptions noted.

Agreed-Upon Procedures Related to Affiliated and Outside Organizations

Procedure

1. The Program shall identify all intercollegiate athletics-related affiliated and outside organizations and obtain those organizations' statements for the reporting period. Once the Program has made these statements available, the independent accountant shall agree the amounts reported in the statement to the organization's general ledger or, alternatively, confirm revenues and expenses directly with a responsible official of the organization. In addition, the Program shall prepare a summary of revenues and expenses for or on behalf of intercollegiate athletics programs affiliated and outside organizations to be included with the agreed-upon procedures report.

Results

The Program identified the Florida Atlantic University Foundation, Inc. (the Foundation) and FAU Finance Corporation (the Corporation) as athletics-related affiliated and outside organizations. The Program identified the Foundation as an outside organization making expenditures for, or on behalf of the Program or its employees. The Foundation serves as the official legal conduit for the acceptance, investment, and distribution of private gifts in support of the activities and programs of Program. Included in the Program's Foundation accounts are the accounts of the Paradise Club and endowments held for the benefit of the Program. Revenues and expenditures recognized by the Foundation on behalf of the Program for the year ended June 30, 2019, was as follows:

1. The independent accountant shall obtain and review the audited financial statements of the organization and any additional reports regarding internal control matters if the organization is audited independent of the agreed-upon procedures required by NCAA legislation. The Program's independent accountant shall also inquire of institutional and outside organization management as to corrective action taken in response to comments concerning internal control structure (if any).

Results

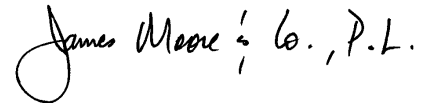

We obtained and read the audited financial statements of the Foundation and the Corporation for the year ended June 30, 2019, and the related report on compliance and on internal control. The results of this procedure disclosed that the independent auditors expressed an unmodified opinion on the financial statements of the Foundation and the Corporation. The independent auditors noted no matters involving internal control over financial reporting and its operation that were considered material weaknesses.

Finding

No exceptions noted.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the compliance of the accompanying statement of revenues and expenses (Exhibit I) and the accompanying notes to the statement of revenues and expenses (Exhibit II). Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the management Florida Atlantic University and the Program, the Florida Atlantic University Board of Trustees, the State of Florida Board of Education, and the National Collegiate Athletic Association, and is not intended to be and should not be used by anyone other than these specified parties.

**FLORIDA ATLANTIC UNIVERSITY
INTERCOLLEGIATE ATHLETICS PROGRAM
NOTES TO STATEMENT OF REVENUES AND EXPENSES
FOR THE YEAR ENDED JUNE 30, 2019
(UNAUDITED – SEE ACCOMPANYING INDEPENDENT ACCOUNTANTS’
REPORT ON THE APPLICATION OF AGREED-UPON PROCEDURES)**

(1) **Basis of Accounting:**

The statement of revenues and expenses of the Florida Atlantic University Intercollegiate Athletics Program (the Program) has been prepared using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recognized when they are incurred.

(2) **Capital Assets:**

Capital assets purchased with an original cost of \$5,000 or more are recorded at cost and depreciated utilizing the straight-line method over the estimated useful lives of assets (generally ranging from 5 to 10 years). Costs to maintain or repair these assets are expensed as incurred. Costs incurred for the construction of buildings or other permanent facilities are reflected as expenses, as these assets are not capitalized as part of the Program’s accounts, but are recorded by the University as assets of other funds.

(3) **Contributions:**

The Foundation serves as the official legal conduit for the acceptance, investment, and distribution of private gifts in support of the activities and programs of Florida Atlantic University. The Corporation has been organized to assist the activities and educational purposes of Florida Atlantic University by providing finance and investment-related assistance in connection with the acquisition or construction of capital or other projects. Contributions of \$293,207 and \$5,286,623 were recognized from the Corporation and Foundation, respectively, for the year ended June 30, 2019, and have been included in the accompanying statement of revenues and expenses. Contributions received from the Corporation and Foundation were the only contributions exceeding 10% of total contributions, as reported in the statement of revenues and expenses, for the year ended June 30, 2019.

(4) **Long-term Obligations:**

Previously, the Corporation issued \$44,500,000 of Taxable Capital Improvement Revenue Bonds (BAB Bonds), Series 2010, maturing in 2040, with an interest rate of 5.78%. The Bonds were issued in connection with construction of a 30,000 seat stadium facility, parking improvements, and other associated athletic and onsite and offsite infrastructure improvements and projects. On August 30, 2017, the Corporation issued Capital Improvement Refunding Revenue Bonds (Football Stadium Project), Series 2017, amounting to \$40,035,000, to refund the then outstanding Series 2010 Bonds. At August 30, 2017, the Series 2010 Bonds were considered retired/fully defeased. The Series 2017 Bonds bear interest at a 10-year fixed rate of 2.61%, subject to adjustment through maturity.

Interest is paid semiannually on each January 1 and July 1. Principal on the debt is paid annually commencing July 2018 through July 2040.

In addition, the Corporation is required to certify on a bi-annual basis that the operating and nonoperating revenues from the previous twelve month period are sufficient to cover at least 125% of an amount equal to the annual bond service requirements.
