NOTE TO SUPERVISORS:

All protocols are directed by Student Health Services. Personnel outside of Student Health Services cannot deviate from established procedures, instructions from Student Health Services, and cannot employ department-level decision-making regarding the management of COVID cases and exposures. Human Resources will communicate directly with supervisors regarding any employee directed to isolation and when cleared to return to work.

Questions about this process can be directed to Student Health Services at 561-297-3512.
