BSN TRADITIONAL APPLICATION REQUIREMENTS

Applications not meeting the following criteria will not be reviewed for acceptance into the program.

- Minimum 48 credit hours of the required 60 pre-nursing requirements completed by December of the application year. Included in the 48 credits must be the following:
 - Anatomy & Physiology I & II with labs
 - Microbiology with lab
 - College algebra or equivalent
 - Statistics
- An overall minimum GPA of 3.0 in all undergraduate courses
- Completion of all prerequisite courses with a grade of "C" or better
- Earned 60 lower-division credits
- Minimum "TEAS V" score of 74%

There is a background check and drug screen after conditional acceptance to the program.

The Traditional Bachelor of Science in Nursing is a limited-access, upper-division program. There are many more qualified applications than available spaces. Admission decisions are based on the following:

1. Pre-requisite science/math GPA
2. TEAS exam scores
3. Pre-nursing students at FAU
4. Other pertinent factors related to the professional role may be considered.
5. Background check

BSN TRADITIONAL APPLICATION PROCESS

Applications are accepted for the Traditional program between **July 1** and **November 30** each year for admission in May of the coming year.

Applicants need to complete four steps in applying to the program:

1. Apply and be admitted to Florida Atlantic University as a pre-nursing student by published deadline.
2. Submit College of Nursing undergraduate application online by published deadline. Applying sooner is recommended.
3. Complete the TEAS entrance exam by application by admission application deadline.
4. Complete all prerequisites **before the program begins in May**.

Students transferring to Florida Atlantic University must complete both lower-division requirements (including the requirements of the Intellectual Foundation Program) and requirements for the college and major. Lower-division requirements may be completed through the A.A degree from any Florida public college, university or community college or through equivalent coursework at another regionally accredited institution.

All course not approved by the Florida Statewide Course Numbering System that will be used to satisfy requirements will be evaluated individually on the basis of content and will require a catalog description and a copy of the syllabus for assessment.

Students must refer to the university catalog for university- and degree-wide graduation requirements.
