

FAU Academy for Community Inclusion

Did you know?

- FAU's [Academy for Community Inclusion](#) (ACI) is a federally approved Comprehensive Transition Program.
- Thirty-three students with intellectual disability registered and took courses at Florida Atlantic University during Fall 2025.
- The ACI program has graduated 66 students who are currently employed in competitive work environments that include individuals of all abilities.

Graduate Spotlight

Michael graduated from FAU's Academy for Community Inclusion in May 2024. Michael currently works full-time for the Village of Wellington and owns and operates the delicious M&M BBQ food truck.

Let's Collaborate!

Are you interested in providing a meaningful work experience for a student from FAU's Academy for Community Inclusion (ACI) during the spring semester? These partnerships are mutually beneficial, offering valuable support for your office or department at no cost to you while giving students hands-on experience. To learn more, please contact downeya@fau.edu.
