OUR CANDIDATES IN ACTION!

This semester we have over **100** student teachers and interns out in our local school districts!

Did you know that our AIT Program addresses the teacher shortage by allowing Candidates to serve as full-time classroom teachers while

- gaining real-world experience
- receiving a \$10,000 stipend
- being supported by an FAU Mentor

WANT TO COME SEE FOR YOURSELF? JOIN US!

We invite faculty to join our team of clinical educators as we go out into schools to complete Student Teaching Observations. It is a great way to see YOUR students in action and connect with the work happening in local schools.

If you are interested in coming along, email engagecoe@fau.edu
