School Counseling Program Sequence_Masters Degree – Fall 2018

* Indicates the course can be taken along with MHS 6800 Practicum in School Counseling

School Counseling Electives	Electives for Initial FL Teacher Certification
MHS 5422 Play Techniques SDS 6426 Counseling Gifted Students SDS 6316 Data Driven Practices in School Counseling SDS 6344 Counseling Interventions for College Readiness and Student Success MHS 6710 Counseling Research and Evidence-based Practice	TSL 5345 Methods of Teaching ESOL RED 6361 Teaching Secondary and Middle School Reading

Notes:

* Up to two of these courses may be taken simultaneously with practicum (unless otherwise noted); however, all required counseling education courses must be completed before the internship.

- All classes are 3 credits. If you plan on completing a full-time internship in one semester you must register for 6 credits for internship in the same semester.
- In order to be eligible for MHS 6800 Practicum in School Counseling students must register for the Florida Teacher Certification Exams (FTCE). Proof of registration must be included with practicum applications.
- FTCE score reports must be included with internship applications before enrolling in SDS 6820 Internship in School Counseling. Both Student Services and the Department of Counselor Education must have your FTCE score reports on file to be eligible for graduation. Visit <http://www.coe.fau.edu/counsel/certification.htm> for additional information.
- Students are required to meet with their advisor and submit an official Program of Study before applying for the practicum field experience. Students must apply online for field experiences. The annual deadlines are Sept. 15th and Jan 31st. Visit <http://www.coe.fau.edu/academicdepartments/ce/practicum/sc.aspx> for additional information.
