

Master's Degree in **EDUCATIONAL PSYCHOLOGY**

THE PROGRAM

The **MASTER'S DEGREE IN EDUCATIONAL PSYCHOLOGY** is a fully online degree that allows students to earn a 36-credit degree. Students specialize in the application of psychological principles and research to education and educational settings. Students will examine theoretical and applied aspects of learning theories, human development, cognition, motivation, and personality developing an understanding of strategies that contribute to a successful learning environment. This degree is designed to prepare students in educational and psychological practices to work in a variety of educational capacities including educators, educational administrators, and educational researchers.

How to **APPLY**

APPLICATION

To be considered for admission into masters programs in the Department of Curriculum and Instruction, applicants must complete a **graduate application** through the Graduate College at <https://www.fau.edu/graduate>.

SUBMIT

Application will require applicant to submit:

- Official transcripts including all undergraduate coursework and evidence of bachelor's degree from a regionally accredited college or university (3.0 GPA required)
- Personal Statement outlining interest in the program
- Resume
- Two letters of recommendation that highlight the candidate's academic potential
- Any additional requirements for the degree for which you are applying that are listed on the application

After your application is completed, it will be forwarded to the Department of Curriculum & Instruction for a decision.
