

K-12 Online Teaching Certificate

Thank you for your interest in the K-12 Online Teaching Certificate. Your first step is to fill out an internal application that allow us to connect with you and provide you with updates. Click here: [Enrollment Request](#)

The **K-12 Online Teaching Certificate** provides an opportunity to earn a 15-credit master's certificate. This program incorporates current technology for online, hybrid and flipped classroom instruction. You will acquire knowledge about the use of learning theories in online instructional environments for K-12, how to use tools for instruction and assessment, tools and strategies for communication with parent, caregivers, and students, and manage online learning environments. You will be able to design engaging instruction using a variety of instructional tools developed specifically for K-12 instruction. Classes taken for the K-12 Online Teaching Certificate can be applied towards the Master's in Instructional Technology, meeting the 1/3 non-degree seeking limit of the total degree. If you have any questions about any of the course work before being admitted to FAU, please contact the Department of Teaching and Learning at DeptTeachLearn@fau.edu
