

Bachelor's Degree in **SECONDARY EDUCATION**

THE PROGRAMS

The **Bachelor's Degree in Secondary Education** (Biology, Chemistry, Physics, English, Mathematics and Social Studies) are hybrid (online and face-to-face classes) programs designed to prepare professionals to teach 6th through 12th grade. The degree program is comprised of engaging coursework, which students are then able to put into practice immediately during fieldwork and student teaching in local middle and high schools. Upon successful completion of required coursework and state exams, program completers will be eligible to apply for a Florida professional teaching certificate in their designated content area, allowing them to teach in any secondary classroom.
