

ADVANCE YOUR CAREER WITHOUT GOING TO CAMPUS!

- Become a highly effective leader in education, industry, non-profit agencies and community government
- Learn how to foster sustainable local, state, national and international learning communities
- Become a significant change agent, creating connections between adult education, sustainability and environmental education

Program features:

- High-quality faculty with research and business backgrounds, as well as adult and community education-based experience
- Affordable tuition, graduate credit
- Courses with flexible, self-directed schedules, accessible at times that are convenient for you using the latest communication tools
- Ongoing student support including advisors, tutorials and student services

The Center for eLearning at FAU is committed to increasing access to education, improving student-learning outcomes, and reducing instructional costs by effectively utilizing technology in course delivery redesigns.

Many of FAU's distance learning courses have received certification from Quality Matters, a third party organization that verifies the quality of online programs, ensuring that students experience the same level of quality and interaction as students taking classes on campus.
