

Power Up Series

Florida Educational Leaders: Public Education in Pandemic

Social Emotional Learning is needed now more than ever. FAU is responding to the outcry across Florida for actionable resources to support students and staff in anticipation of SY21.

This three-part Power Up Series begins with **PART 2: EDUCATION LEADERS**. Participants (district leaders, coaches and principals) will discover how individual resilience, staff care, organizational and systemic conditions can support the implementation of SEL and practical steps to take now for readiness in the fall.

WED, MAY 27
4 – 4:45 PM
