Cohort News

Cohort 2 is Working Hard!

Cohort 2 wrapped up classroom recording and most have already met with Dr. Sembiante for feedback. There has been so much growth in both practice and achievement! During May PLTs we will celebrate and reflect upon experiences in PRAISE this year. There are many exciting activities with families that have occurred, including a vocabulary parade and creating cards with families! See the great pictures on page 2! Thank you for the pictures!
