Telephone Number: _____

Field Project 1 (EDA 7943) 3-6 credits

The field project is a small research project directly related to the student's work and/or interest in educational leadership. The project is to be planned by the student and advisor and may be completed over more than one semester. The field project can include participation in school plant surveys, accreditation visitation, curriculum studies, administrative analysis, and field research. Requires advisor signature to enroll. *Grading: S/U*

Field Project 2 (EDA 7944) 3-6 credits

This course requires 75 hours of on-the-job experience and 25 hours of preparation. Supervision is provided by the field professional and the university supervisor. Requires advisor signature to enroll. *Grading: S/U*
