## *Reaching Every Learner: Strategies to Make Content Accessible*

This colloquium will be presented by  
*Jessica Cadette, M.Ed.*

Doctoral Student, Department of Exceptional Student Education,  
FAU

### *Abstract*

Meeting the diverse learning needs of students can be a difficult task for even the most experienced educator. This task becomes even more complex when students with disabilities are included in a general education classroom. This presentation will discuss the use of accommodations and the principles of Universal Design for Learning (UDL) to make content accessible for all learners.
