

**Exceptional Student Education  
Master's Course Rotation  
(January 2019)**

This schedule represents the intended rotation of graduate courses leading to the master's degree in Exceptional Student Education. The rotation is provided to assist students to plan their programs several semesters in advance. However, a variety of factors (e.g., low enrollments, budget restrictions) influence the delivery of courses, and the actual schedule might vary. Students should consult with their advisors regarding questions about their courses and programs.

Campus Location Key: **D** = Davie; **B** = Boca Raton; **J** = Jupiter; **DL** = Distance Learning
