EXPANDING RESEARCH AND PRACTICE TO PREPARE EDUCATORS FOR THE FUTURE

This colloquium and guided discussion will be led by
Saurym Quezada, M.Ed., Doctoral Student
Department of Special Education

Session Abstract

Planning for the future or transition planning is vital for individuals with disabilities. Poor planning can often lead to less than desirable life outcomes. In this presentation, participants will learn about early transition planning for adults with multiple disabilities through the lens of educational policy and current laws designed to support a smooth transition.
