This colloquium and guided discussion will be led by

Garrett Mayersohn
Disability Rights Advocate, FAU Alum

Session Abstract
Building awareness, knowledge, insight, and understanding of disability legislation, rights, advocacy, and goals of individuals with disabilities has been at the heart of personnel preparation in the Department of Special Education. However, awareness, knowledge, insight, and understanding are deepened when you can connect to a personal story. Just ask Garrett Mayersohn! Garrett is a spokesperson, advocate, and activist for individuals with disabilities, and a graduate of FAU. Join us to learn about changing mindsets of disability from the perspective of an individual living life with a lifelong disability.
