Advocacy is a cornerstone of our democracy. The time is now to learn about the impact of advocacy and how to advocate. This half-day conference will have featured speakers, question and answer session, followed by activities intended to build advocacy skills. Want to make your voice heard as a citizen and as a current or future member of the education field? Come to this conference to learn about the issues and to boost your advocacy skills!

Registration is free and open to all, however you must RSVP by Feb. 1 .
