HOOT Presents...

*Research with Children: Learning from
Young Brains and Minds*

This colloquium and guided discussion will be led by

Sylvia Collazo

Doctoral Student

Department of Exceptional Student Education (DESE), FAU

Abstract

In this session, participants will learn about historical landmark experiments with children, how these experiments have created the foundation of knowledge on human perception, emotion, learning, and behavior, relevant findings and their implications for interventions in schools and other settings. Further, participants will learn how action research can serve as “mini-experiments” that support children’s success while contributing to our understanding of development and cognition.

Agenda

6:30-6:40	Introductions
6:40-6:50	HOOT Program Overview

This event is open to all education majors.

This event is offered in fulfillment of a series of enrichment activities for the Department’s Honoring Outstanding Owl Teachers (HOOT), the honors-in-the-major program within the Exceptional Student Education major in the College of Education. For additional information about the HOOT program, contact the honor’s program Drs. Darling (sdarlin4@fau.edu), Dukes (cdukes@fau.edu) or Finnegan (LFinnegan@fau.edu).

If you need a reasonable accommodation to fully participate in this event, contact Dr. Darling at sdarlin4@fau.edu, 561.297.0807 or TTY Relay Station 1.800.955.8770. Please make your needs known as soon as possible, preferably at least four business days prior to the event, to allow sufficient time for effective accommodations.

**Participants arriving late (i.e., 16 minutes or more after the start time) for this event will not obtain credit for attending the event.*
