- Support groups
- Technical assistance and consultation
- Family and professional training
- Public education about autism and related disabilities.

CARD serves more than 2,000 families throughout the Palm Beach and Treasure Coast counties.

In 2009, CARD:

- provided 3,700 direct individual assistance contacts,
- 1,200 consultations,
- 272 trainings and workshops,
- and participated in 58 public education presentations.

## MOBILE DEVELOPMENTAL SCREENING CLINIC

The Unicorn Children's Foundation recently donated a mobile developmental screening clinic to FAU CARD. We will conduct free developmental screenings throughout our entire service area. This service, in particular, is critical for children and families experiencing developmental concerns, as early screening leads to early diagnosis and early intervention.
