

# Summer Academy

July 25-27, 2011

9:00 - 4:00 p.m.

(Registration starts at 8:00 a.m.)

FAU McArthur Campus @ Lifelong Learning Center

## Keynote Presentations

Monday, July 25:

**Michael Fabrizio, M.A., BCBA** will present evidence-based strategies to increase the academic performance of students with autism spectrum disorders.

Tuesday, July 26:

**Dr. Barbara Esch, BCBA-D, CCC-SLP** will present advanced applications of verbal behavior to increase the communication skills of children with autism.

Wednesday, July 27:

**FAU CARD staff & our school district partners** will present breakout sessions featuring beginning topics.

Register to attend by contacting us at [card@fau.edu](mailto:card@fau.edu) or call 561-297-2055.  
CEUs available for BCBA/BCABAs and teacher in-service points.
