# SLEEP AND SPEECH LEARNING STUDY

zzz...

**ARE YOU 18-25 YEARS OLD AND A NATIVE SPEAKER OF ENGLISH WITH TYPICAL HEARING AND VISION?**

The FAU **speeCH** And **Time (CHAT)** lab is conducting a study examining sleep, rest, and speech motor learning!

To participate, you must have typical hearing and vision and no history of neurological disorder; psychiatric, socio-emotional, attentional or cognitive impairment; or history of speech or language impairment.

The study can be completed in lab will last approximately 2-5 hours.

As a thank you for participating, you may receive a report of your test scores and/or extra credit in an FAU course

**NEED SOME  
SLEEP OR JUST  
A LITTLE  
REST???**
