Research and Grants

Served on the CORE TEAM for Palm Beach County to develop application for a planning and later an implementation grant with the Wallace Foundation. This grant is focused on broad implementation of social/emotion/learning in Palm Beach County and features the SSS program co-developed by Dr. Brigman. PB was awarded the \$300,000 one year planning grant in 2016 and was awarded the full 3 year implementation grant in 2017. Only nine planning grants and six full implementation grants were awarded nationally.

Webb, L., Brigman, G., Carey, J., & Villares, E. (2011-2015). A randomized controlled trial of student success skills: A program to improve academic achievement for all students, \$2,700,000. Education Research Grant 84.305A, Institute of Education Sciences, U. S. Department of Education. Co-Principal Investigator.

Webb, L. & Brigman, G. (2006). Research Incentive Seed Grant.

FAU internal grant awarded for external grant development in Cognition and Student Learning, \$6000

Brigman, G. (2000-2002). Developing academic and social competence

Principal investigator on comprehensive school reform project involving collaboration between Broward County schools and two departments in the College of Education at Florida Atlantic University, the Department of Counselor Education and the Department of Education Leadership. The three components of this project are a Student Success Skills curriculum, a comprehensive parent involvement program, and a collaboration/coordination system. Approximately 8,000 students affected. South Florida Annenberg Challenge Foundation, \$403,000.

Brigman, G. (1999-2002). Inoculating children against failure

Principal investigator on a project to develop six demonstration site schools with comprehensive school counseling, integrated student services and comprehensive parent involvement programs. This three-year grant combines the efforts of FAU and Broward County schools to develop a model for student support service delivery tied to student achievement. Henderson Foundation, \$161,000.

Impact Counseling (1999-2002).

GREG BRIGMAN

VITA

Lead researcher. Collaborated with Pasco County Schools on grant writing, program design, staff development training and project evaluation, \$164,000. Florida Department of Education.

Brigman, G. (1998-99). Mentoring Center Grant

Principal investigator on project to develop a mentor center at Florida Atlantic University that involves collaboration with several community organizations and the Palm Beach County School system. FAU Institute of Government, \$14,000.

Goals 2000 and Student Services (1995-98).

Lead researcher. Collaborated with Palm Beach County Schools on grant writing and assisted in implementation and evaluation of an integrated student support services model over a three-year period. Florida Department of Education, \$630,000.
