

## VITA

John D. Morris, Ph.D.  
Florida Atlantic University  
Boca Raton, Florida 33431  
(561) 756-1417  
jdmorris@fau.edu

### PROFESSIONAL EDUCATION

Ph.D.: University of Florida, 1975; Chairman: Wilson H. Guertin;  
Major - Educational Research  
M.Ed.: Florida Atlantic University, 1973;  
Major - Educational Research  
B.S.: Florida Atlantic University, 1971;  
Major - Physics

### PROFESSIONAL POSITIONS

Affiliate faculty: Department of Mathematics, Florida Atlantic University

2016-Present: Professor, Emeritus, Florida Atlantic University.

1985 - 2016: Professor, Department of Educational Leadership and Research Methodology and Department of Mathematics, Florida Atlantic University. I teach graduate courses in Statistics, Advanced Statistics, Multivariate Statistics and Advanced Research Methods. I also serve on many doctoral committees in several colleges, and aid faculty and students on research design, measurement, statistics, and computer utilization.

1997 – 2001: Chairman, Department of Educational Technology and Research, Florida Atlantic University.

1983 - 1985: Professor, University of Georgia Graduate Faculty. I taught graduate statistics courses to UGA doctoral students and served on many UGA students' doctoral committees.

1975 - 1985: Professor of Educational Research, Graduate Faculty, Georgia Southern University. I taught courses in: Educational Research Methodology, Statistics, and Advanced Statistics. I also served on master's, specialist's, and doctoral committees, and did a large amount of advisement for faculty and students on research design, measurement, statistics, and computer utilization.

1974 - 1975: Research Associate in the Rehabilitation Research Institute of the College of Health-Related Professions at the University of Florida. Responsibilities included instrument development, development of experimental design, supervision of measurement, evaluation, statistical and computer operations, writing grant applications and research papers in the health-related professions.

1973 - 1974: In charge of psychometric and statistical aspects of instrument development, and computer scoring, and analysis of the Real Estate Exam required before licensing by the Florida Real Estate Board and administered under the Department of Continuing Education of the University of Florida to approximately 30,000 students each year.

1971 - 1973: Teacher of mathematics, physics, chemistry, and general science at Boca Raton High School (1972 - 1973), and King's Academy in West Palm Beach, Florida (1971 - 1972).

## **SELECTED MAJOR PROFESSIONAL SERVICES**

1998-1999: President, Florida Educational Research Association

1997-1998: President-elect, Florida Educational Research Association

1989 - 95: Editor, Florida Journal of Educational Research

1979 - Present: Referee manuscripts submitted for publication to various journals, including Educational and Psychological Measurement, Psychological Bulletin, Journal of Applied Psychology, Journal of Experimental Education, Sociological Methods & Research, the American Educational Research Journal, and Multiple Linear Regression Viewpoints.

1979 - Present: I have, and currently do, serve as referee, reading papers proposed for presentation before various national and state learned societies. These include the Educational Statisticians Special Interest Group, the Multiple Linear Regression Special Interest Group, and Division D (all for the annual American Educational Research Association convention), Division 5 for the annual American Psychological Association convention, and for the Georgia and Florida Educational Research Association conventions.

1973 - 1985: Served in many institutional roles at Georgia Southern University, examples of which are the: Graduate Council, Human Subjects Institutional Review Board, NCATE Steering Committee, SACS Research Standard Committee, Faculty Research Committee, chapter Research Representative for Phi Delta Kappa, Promotion and Tenure Committee, the Academic Planning Committee, and many academic search committees.

1985 - 2016: Service in many institutional roles at Florida Atlantic University, examples of which are the: University Graduate Council, University Computer Advisory Council, University Research Committee, University Committee on Statistics, College of Education Computer Committee, College of Education Curriculum Reorganization Committee, College of Education Instructor Evaluation Committee, College of Education Promotion and Tenure Guidelines Revision Subcommittee, College of Education Promotion and Tenure Committee, College of Education Five-Year Planning Committee, College of Education NCATE Knowledge Base Committee, College of Education Reorganization Committee, chapter Research Representative for Phi Delta Kappa, and many academic search committees.

1973 - Present: Consulting activities include statistical, research design and computer utilization aid for a wide variety of clients.

1982 - 1985: Elected and served as President-Elect of the Georgia Educational Research Association. Duties included designing the program for the 1983 meeting, assuming the Presidency at the 1983 meeting, and serving on the Executive Board as Past-President until the 1985 meeting.

1979 - 1981: Elected as Member at Large of the Executive Board of the Georgia Educational Research Association.

## **SELECTED HONORS AND AWARDS**

2016: Best Research Paper - Pisapia, J., Feit, K., Morris, J., & Jelenc, L. (2016). *Strengthening the link between entrepreneurial proclivities and entrepreneurial outcomes: The Entrepreneurial Dispositions Scale (EDS)*. Presented to the SEAANZ National Small Business Conference, August 11, 2016 in Melbourne, Australia.

1994: Awarded the 1994 "Researcher of the Year" award by the Florida Educational Research Association.

1978: Award for Excellence in Research from the American Rehabilitation Association (Division of the American Personnel and Guidance Association) for the book The Vocational Rehabilitation of Public Assistance Recipients presented in Tucson, March 20, 1978.

1973-1974: Awarded a University of Florida Graduate Council Fellowship for study toward the Ph.D.

1970-1972: Awarded the Selby Science Scholarship in Physics for study toward the B.S. in physics.

1969: Honorary scholastic fraternity of Phi Theta Kappa, Omicron Epsilon Chapter.
