## Experiences

### **Clinical Instructor and Coordinator FAUPPI**

**Florida Atlantic University, College of Education**

**2017-present**

As coordinator for the Wallace University Principal Preparation Initiative (UPPI) grant, my responsibilities include:

- coordinate with all districts involved to align efforts
- development and sustain the UPPI coaching system for principals who nominate students for the program
- development and sustain adjunct professional development for all adjuncts teaching in partnership programs.
- development leadership tracking systems in partner districts and the FAU Data Repository to allow sharing of data between districts and FAU.
- development and sustain a rigorous application process for students to the program
- co-teach all courses with adjunct professors to ensure fidelity of implementation and use of appropriate adult learning and teaching strategies within the course
- co-develop and monitor a continuous improvement model to ensure a high quality program for students and all involved in the partnership programs.
- coordinate the Principal Rapid Orientation Program in Educational Leadership (PROPEL) in Broward County Schools.

### **Client Lead/Program Consultant**

**New Teacher Center**

**2014-2017**

### **Director of Leadership and Non Instructional Development,**

**Broward County Schools Public Schools**

**2011-2014**

- Develop and supervise professional development of district and school-based leaders both experienced and developing.
- Manage the Principal Rapid Orientation and Preparation in Educational Leadership grant, (PROPEL), a joint program between Florida Atlantic University and Broward County Schools.
  - Established a new University/Broward Schools Leadership Program.
  - Designed program components, application process, schedule, logistics and marketing strategies to promote the program.
  - Participated with the University to rewrite all curriculum courses that lead to a Master of Educational Leadership Degree and Level 1 state certification. Courses were also aligned to Broward County Principal Pipeline programs.
- Managed Broward County Schools' Race to the Top Federal Grant Project 10.
  - Revised the professional development system and utilized data from teachers' and principals' evaluations to plan and evaluate professional development, and evaluate the effectiveness of professional development based on changes in practice and student outcomes.
