Participant Name tags

Mixer Agenda

Speakers: Welcome and Closing [in between?]

Here are some ideas for the announcements, e-mails and any flyers we might want to create.

FAUS-FAU 2008 Research Mixer

Faculty and Administrators from A.D. Henderson, the FAU High School, Pine Jog Environmental Education Center, Karen Slattery Pre-School, and the Tradition Charter School want to welcome the FAU Research Community to explore new research frontiers in educational, clinical health, and social science research in collaboration with Pre-K through 12 faculty, administration and students.

Learn about on-going education, psychological, nursing, performing arts, language and literacy, and fitness studies....

All research is IRB approved.

Many of the studies have been presented nationally and internationally and published in scholarly peer-reviewed journals.

We will convene this year's research mixer on the campus of the A.D. Henderson K-8 Laboratory School on the north east corner of the FAU campus

Lunch and good conversation
