

## List of Most Common EHS Courses by Audience Type

DON'T SEE WHAT YOU NEED? [SEE THE COURSE LIBRARY IN PERCIPIO](#) [CLICK HERE](#)

Audience #	Audience	Required Training
1	Laboratories working with Chemicals	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b>
2	Laboratories working with Human and Non-human primate biological materials	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Bloodborne Pathogens Training <b>Annual</b> Biosafety Hazardous Waste Handling and Disposal <b>Annual</b>
3	Laboratories working with other Biological Materials	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Biosafety Hazardous Waste Handling and Disposal <b>Annual</b>
4	Laboratories working with Animals (no field work)	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Working Safely with Animals <b>Initial Only</b>
5	Laboratories working with Animals (Field Work only)	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Animal Field Research Safety Overview <b>Initial Only</b>
6	Laboratories Working with Animals (Lab and Field)	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Working Safely with Animals <b>Initial Only</b> Animal Field Research Safety Overview <b>Initial Only</b>
7	Laboratories working with Radiation	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Radiation Safety <b>Annual</b>

8	Laboratories working with Lasers	Laboratory Safety <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Laser Safety <b>Annual</b>
9	Those working with indirect contact with research animals	Animal Research Facility Safety Awareness <b>Initial Only</b>
10	Maintenance Workers	Asbestos <b>Annual</b> Bloodborne Pathogens Awareness <b>Annual</b> Hazard Communication <b>Initial Only</b> Hazardous Waste Generator <b>Initial Only</b> Fire Safety and Prevention <b>Annual</b> Portable Fire Extinguishers <b>Annual</b>
11	Medical and Dental Clinic Workers, Childcare Workers	Bloodborne Pathogens Awareness <b>Annual</b> Biosafety Hazardous Waste Handling and Disposal <b>Annual</b> Fire Safety and Prevention <b>Annual</b> Portable Fire Extinguishers <b>Annual</b> Hazard Communication <b>Initial Only</b>
12	Those holding events serving food	Food Safety and Handling <b>Initial Only</b>
Individual	Situational	Respiratory Protection <b>Annual</b> Powered Industrial Trucks <b>Triennial</b> Lockout/Tagout <b>Initial Only</b> IATA Shipping <b>Biennial</b> DOT Shipping <b>Triennial</b> Hearing Conservation <b>Initial Only</b> Confined Spaces <b>Initial Only</b> Spill Prevention, Control and Countermeasure Plan <b>Initial Only</b> Golf Cart Safety <b>Initial Only</b> Hazardous Material Handling and Storage <b>Initial Only</b> Portable Fire Extinguishers <b>Annual</b>
