

List of Most Common EHS Courses by Audience Type

DON'T SEE WHAT YOU NEED? [SEE THE COURSE LIBRARY IN PERCIPIO](#) [CLICK HERE](#)

Audience #	Audience	Required Training
1	Laboratories working with Chemicals	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only
2	Laboratories working with Bloodborne Pathogens	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Bloodborne Pathogens Training Annual Biosafety Hazardous Waste Handling and Disposal Annual
3	Laboratories working with Animals (no field work)	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Working Safely with Animals Initial Only
4	Laboratories working with Animals (Field Work only)	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Animal Field Research Safety Overview Initial Only
5	Laboratories Working with Animals (Lab and Field)	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Working Safely with Animals Initial Only Animal Field Research Safety Overview Initial Only
7	Laboratories working with Radiation	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Radiation Safety Annual
8	Laboratories working with Lasers	Laboratory Safety Annual Fire Safety and Prevention Annual Portable Fire Extinguisher Training Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only

Audience #	Audience	Required Training
		Laser Safety Annual
9	Those working with indirect contact with research animals	Animal Facility and Laboratory Safety Awareness Initial Only
10	Maintenance Workers	Asbestos Annual Bloodborne Pathogens Awareness Annual Hazard Communication Initial Only Hazardous Material Handling and Storage Initial Only Hazardous Waste Generator Initial Only Fire Safety and Prevention Annual Portable Fire Extinguishers Annual
11	Medical and Dental Clinic Workers, Child Care Workers	Bloodborne Pathogens Awareness Annual Biosafety Hazardous Waste Handling and Disposal Fire Safety and Prevention Annual Portable Fire Extinguishers Annual Hazard Communication Initial Only
12	Those holding events serving food	Food Safety and Handling Initial Only
Individual	Situational	Respiratory Protection Annual Powered Industrial Trucks Triennial Lockout/Tagout Initial Only IATA Shipping Biennial DOT Shipping Triennial Hearing Conservation Initial Only Confined Spaces Initial Only Spill Prevention, Control and Countermeasure Plan Initial Only Golf Cart Safety Initial Only
