FAU

DEPARTMENT OF CIVIL, ENVIRONMENTAL & GEOMATICS ENGINEERING
College of Engineering & Computer Science
Florida Atlantic University

Energy Resilience Certificate

Certificate Program Application

This certificate program is open to students with a bachelor's degree in engineering or science and a GPA of at least 3.0. Students must satisfy the prerequisites for each course in the program. The average GPA of all four courses counted in the program must be 3.0 or better. All course materials are in English; all international students must demonstrate proficiency in English to enter the program.
