

**CYBER SECURITY - COMPUTER SCIENCE TRACK
CERTIFICATE PROGRAM APPLICATION**

Admission Requirements:

This certificate program is open to students with a bachelor's degree in any academic area and who are not majoring in Artificial Intelligence. Students must satisfy the prerequisites for each course in the program. The average GPA of all four courses counted in the program must be 3.0 or better. This certificate requires four courses that have not been counted in any other minor or certificate program within the College of Engineering and Computer Science.

NOTE: It is strongly recommended that you review the course description in University Catalog. ([FAU Catalog](#) | [Florida Atlantic University](#))
