

ABOUT THE COMPANY

Excellence—Every project. Every day.

ENERCON is a multi-disciplinary engineering and environmental firm focused on empowering their people and partnering with their clients to support the safe and efficient production, delivery and use of energy.

POSITION DESCRIPTION: Entry Level Distribution Engineer ~ \$ 70K – 80K

LOCATION: Palm Beach Gardens, FL

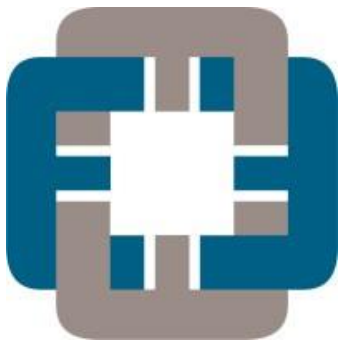

This is a unique and challenging opportunity for individuals to work on modernizing the electrical grids in Florida and Georgia. The grids are over 60 years old and need to be updated and modernized to incorporate automation to ensure high reliability as well as support the new demands of renewables, storage, electric vehicle charging and growth.
