

**Artificial Intelligence  
Certificate Program Application**

Application to the program requires that this form be completely filled out and a cover letter attached. The cover letter must clearly describe previous and/or current education and experience, and motivation for choosing the Artificial Intelligence Certificate Program.

**Minimum Admission Requirements:**

**This certificate program is open to students with any academic background. The certificate requires five courses which have not been counted in any other minor or certificate within the College of Engineering and Computer Science. Students must satisfy the prerequisites for each course in the program. All five courses must be completed with a grade of "C" or better.**

**Note: Official Transcript required from all applicants.**
