

**Data Science - Computer Science Track
Certificate Program Application**

Data Science is the study of methods to manage, analyze and extract knowledge from data. Industry and government need an educated workforce with the necessary expertise to make use of the enormous volumes of data available to them. The Department of Computer and Electrical Engineering and Computer Science offers the Data Science Certificate with a track in Computer Science (CS). This 15-credit certificate program allows students to expand their knowledge with data science skills.

Minimum Admission Requirements:

The program is open to students who satisfy the prerequisite courses required for each course in the certificate program. All five courses must be completed with a grade of "C" or better.

Note: Official Transcript required from all applicants.
