

**Minor in Computer Science  
Program Application**

The Department of Computer and Electrical Engineering and Computer Science offers a Minor in Computer Science designed to enhance the computing and programming skills of all undergraduate students regardless of their major, and increases their marketability in a competitive job market. The minor is opened to all FAU undergraduates who are not majoring in Computer Science or Computer Engineering.

**Minimum Admission Requirements:**

The minor program requires a minimum of 24 credits in total. All courses in the program must be completed with a grade of "C" or better. Acknowledgment of a minor in Computer Science is official upon successful completion of an FAU degree program.

**Note: Official Transcript required from all applicants.**
