(FAU – Post Graduate Student Scholarship Proposal)

Vision: The GANGALS FOUNDATION visualizes that an understanding of ‘Diverse Cultures’ enhances Career Earnings and appreciation of the Human Values.

Goal: Part of the Vision is to award a Scholarship of \$2,500.00/semester, for a maximum of \$10,000.00, to an FAU International post-graduate student, from India, who needs financial help. The student is to be enrolled at the FAU, in the fields of: Engineering, Science, Mathematics, Business Management, or other technical fields. The student is required to learn US History and Culture so that the awardee can appreciate the American political process.

Selection Process:

1. The suitable applicants, from the Indian sub-continent, will submit an interest for the scholarship to the FAU. The submission should include: Desire to learn US History and Culture at its own cost; Ability to maintain a minimum of 3.7 academic average out of 4; Parental Financial Status to support the FAU education; Motivation to pursue post-graduate Education in USA; Resume; Transcripts and etc. The applicant, during the scholarship duration, is required to learn the US History and Culture at its own cost.
2. The FAU or other sources will recommend 2-3 students each year, with the completed required data, to the GANGALS FOUNDATION. The FAU may evaluate and select the applicants based on their submitted verifiable data.
3. The short listed applicant(s) will be interviewed by the GANGALS FOUNDATION at the FAU campus. Through interview process, the GANGALS FOUNDATION may evaluate the applicant’s political opinion about USA and a desire to work in USA after the graduation.
4. The GANGALS FOUNDATION will directly deposit the scholarship’s pro-rated money directly to the FAU. The money is to be credited by the FAU towards the student’s tuition fee or other expenses for educational purpose.
