This form may be used for the 2023-2024 aid year and onward. Contact your financial aid counselor if your request is for the 2022-2023 aid year. We have received your FAFSA from the federal processor. However, the parental information is missing from the application. For more information about requests for determination of independence, visit our [website](https://fau.edu/finaid).

Please check ONE of the boxes below that best matches your circumstances.

☐ **You and your parent(s) will update your FAFSA to include your parent(s) information and signature.**

Upon receipt of the updated application and this completed ISIR Comment Code form, we will continue processing your information. Your application will receive full consideration for financial aid.

☐ **You are unable to obtain parental information due to unusual circumstances that may warrant a dependency override.** Unusual circumstances are considered when a student is unable to contact a parent or where contact with parents pose a risk to the student. Unusual circumstances include human trafficking, legally granted refugee or asylum status, parental abandonment or estrangement, or incarceration. You must return this completed form and a Dependency Override form with documentation. Contact your financial aid counselor for additional information.

☐ **You are a youth who is unaccompanied and homeless or unaccompanied, self-supporting, and at risk of being homeless.** You must return this completed form and a Homeless Youth Determination form. Contact your financial aid counselor for additional information.

☐ **You are unable to obtain parental information because your parent(s) ended financial support of you or will not complete the parental sections of the FAFSA.** You must submit this completed ISIR Comment Code form and a signed and dated statement from one of your parents specifically stating that the parent(s) either:

- Refuses to fill out the FAFSA on the student's behalf; or
- Do not provide any financial support to the student, indicating the date the support ended and will not provide any financial support to the student in the future.

If approved, your application will receive consideration for Unsubsidized Direct Loans only.

☐ **Your parent(s) will not provide the required verification statement (see above).** Instead, you will submit documentation from a third party such as a teacher, counselor, cleric, or court.
