**We have received a request to process a private loan for you. However, our records indicate that you may be eligible for Federal Direct Loans. Most private loans have high variable interest rates and may not provide the loan forgiveness, deferment, and repayment options offered by the Federal Direct Loan program. As most experts agree that you should not consider private loans until you have exhausted all of your federal aid, we are requesting you to complete this form confirming you are aware of the differences between private and Direct loans and still wish to pursue obtaining a private loan prior to exhausting your Federal Direct Loan eligibility.**

I have reviewed my options at <http://www.fau.edu/finaid>. I understand that the terms and conditions of private education loans may be less favorable than the terms and conditions of federal student loans which I may be eligible for.**
