Important Rules Regarding Alternative/Private Loan Increase Requests

- Borrower requests for PRIVATE LOAN increases MUST not exceed the original amount that the borrower was approved for with their lender. Requests for amounts more than the original approved amount MUST be initiated by the borrower with their chosen lender. If approved, the lender will send a certification request to FAU for the additional amount to be processed.
- It is possible that some lenders might not approve an adjustment to a loan that has already been certified.
- The TOTAL amount of private funding requested may not exceed the student's Cost of Attendance minus all other combined assistance.
