A student should NEVER consider borrowing from a private loan/alternative loan program until they have exhausted all their federal loan options first. Private loans may have terms and conditions that are less favorable than Federal loans. Students can review their financial aid options at fau.edu/finaid.

A private/alternative loan request will not be processed if your FAFSA is incomplete or if you are selected for verification. If you wish to have the private/alternative loan processed prior to the completion of the FAFSA and prior to the awarding of any Title IV Aid for which you may be eligible, you may sign this form. By signing this form, you acknowledge that:

- You have been informed of the possibility of your eligibility for federal student aid, including federal loans, and are aware that the terms and conditions of your private education loan may be less favorable than the terms and conditions of federal aid you may qualify for.
- If you do not intend to complete the FAFSA and/or the verification process, you will not be eligible to receive FAFSA based aid.
- If you later become eligible to be processed for FAFSA based aid, the FAU Office of Student Financial Aid may reduce your private loan and/or FAFSA based aid if the combination of awards exceeds your estimated cost of attendance.
