University Budget Office

Florida Atlantic University 2022-23 Operating Budget

Florida Atlantic University's Operating Budget is comprised of seven different budgetary components: Education and General, Student Financial Aid, Contracts and Grants, Auxiliary Enterprises, Athletics, Student Government, and Concessions. Within the budgetary process various budgetary methods and techniques are carefully integrated to ensure effective best practices so that allocation decisions are directly tied to the University's strategic goals and objectives in a value-maximizing framework. All proposed expenditures are evaluated at multiple levels within the organization beginning with departmental units and continuing through the President's Executive Committee, Board of Trustees Committee, and finally the Board of Trustees where the operating budget is formally approved and adopted.

Florida Atlantic University's Operating Budget is unique due to its multiple campuses. Each campus vice president is represented under Strategic Affairs and is budgeted separately within the university umbrella. Educational and General funding is divided among the diverse areas of responsibility and each College following the receipt of the yearly allocation from the State of Florida Legislature and Board of Governors.
